Oslo, 15th of September 2011

Hi!

We are very proud to invite you to a unique encounter with NLP Master Trainer Mark Hayley on October 3 - 5, 2011! For the first time in Norway we are pleased to offer “**3 Days to Optimize Your Life**” - **an unequalled workshop for you who want personal change and take your goals in life seriously!**

Trainer Mark Hayley is the only person in the world(!) who's got permission from the founder of NLP, Dr. Richard Bandler, to do this extraordinary workshop. During these three days Mark Hayley will work with a unique group of just 9 participants, in the same way as in the Dr. Richard Bandler *Personal Enhancement Workshop*.

Mark Hayley is a master in working with personal change – he will lead you through 3 magnificent days where you'll get your own unique individual process. What's quite remarkably is that you submit your **Wish list** in advance where you order what YOU want, and Mark Hayley will help you do the changes you have ordered during the three days you'll spend together.

You don't need any previous knowledge of NLP to participate, and for you with the NLP knowledge it'll be an extraordinary opportunity to experience a true master of the art of personal change. So, use this rare opportunity to materialize the dreams and goals you have set for yourself in life!

For more information about the 3 Days to Optimize Your Life, please read the enclosed brochure. Please also visit our website [www.metaresource.no](http://www.metaresource.no) on the Course page, where you can watch interviews with Mark Hayley where he talks about why you should join and what it will give you.

Welcome to a workshop out of the ordinary!:)

Kind regards
